Buyer Testimonials

Weddings have grown larger than life. Revenge buying is taking place in India now. After COVID, people are spending more on wedding budgets. Hotels are hiking rates in 'saayas'. That is why we are promoting these.

Rajeev Jain
RASHI ENTERTAINMENT

People have realized that smaller weddings are in. You do not need to call 5,000, 6,000, and 7,000 people. People have become more conscious due to the pandemic.

Chetan Vohra
WEDDINGLINE EVENTS & HOSPITALITY

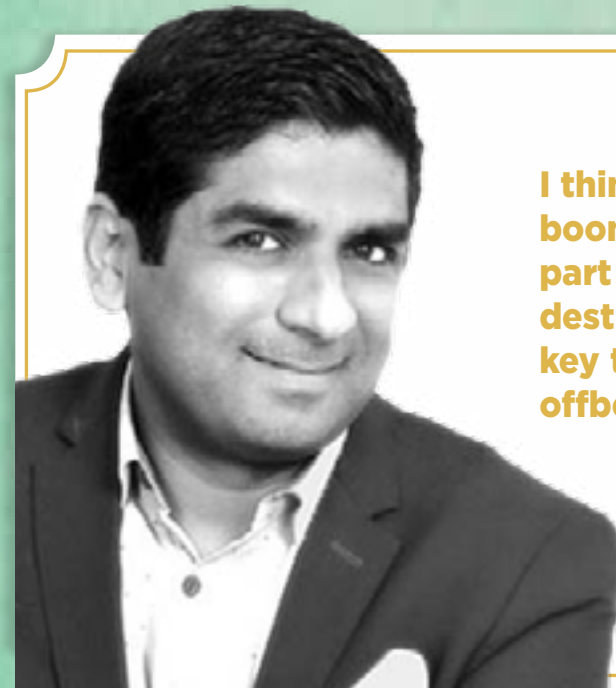

I have noticed a shift; 600-1,000 people weddings are back in the market. There is a huge demand when it comes to destination weddings. Of late, they are very popular.

Minnat Lalpuria
7VACHAN

Post-COVID, more and more wedding venues have opened up. With people ready to explore new destinations, you will see a backlog of weddings this year. Also, people have invested in new properties.

Sharad Mathur
EMG ENTERTAIN

I think the wedding industry is booming and we are lucky to be part of it. Now, everyone wants a destination wedding. One of the key trends is people search for an offbeat location, experiment with

Singapore is one of the destinations Acomes to Indian weddings. Every single wedding, we feel, is going to be different from the last one.

Renjie Wong

SINGAPORE TOURISM BOARD

People now are keen to explore new ideas, new destinations. While there were some reservations before 2019, they have disappeared, and high budgets and revenge travel have come in.
